Howtoimprovebrand

- Consistency
- Authenticity
- Company

Consistency

• Consistencyis achievedwhenyourcompany'sdailyactions concurwithyour brand'simage. For automobile franchises, the biggest aspect of consistency involves communicating with their customers at the dealership. Customers at is faction goes down, and aword of mouthmarketing may not work

in your favor. That's why consistency among all workers is important.

Authenticity

• Itisverydifficultto gaincustomerloyaltyandtrustwithoutcredibility.Peopleare hesitantto trustanycompanyoranyperson withoutknowing their story.Authenticityisaboutknowingyour audienceanddeliveringstraightforwardmessages to them.Buildingcredibility is one of the most beneficial thingsacompanycandoforitsbrandintoday'smarket.

Company

• Every part of the company should be aware ofthe brand and how their job fits into it. Eachemployeeimpactsthebrandinadifferentway.

FT YOUR LIGHT SHIM

The key is making sure that, even more than knowing the company's mission statement, workers realize that

their actions impactthecompany's brand and how it is perceived

bythepublic. Everypartof the company from finance to management needs to participate in

activelyrepresentingthe brand.

PullMarketing

• The pointofpullmarketing istomakeconsumers cometoyou. Tomakeithappen, you have to focus on building credibility of the company, expertise in the field, and value for the customer. Focusing on strengthening the reputation of your brandshould not be seen as insignificant. It may not lead to new clients right away, but pullmarketing is more sustainable and less time consuming than push marketing.

Developingstory fromPictures

• Pictures are effective tools of communication. Pictures disseminate information to the viewers. Pictures can have silenttalk with the onlookers. Pictures will motivate, inspire and lead people. Certainly they will kindle our imagination and force us to expressour opinion about them.
