Block No.4, College Road, Mosapakkam West, Chennai - 600037.

SILVER JUBILEE YEAR

**DREAM BIG!
AIM HIGH!
THINK MGC!**

GREGORIAN 2021 - 2022

MESSAGE FROM THE BISHOP

I am very happy to know that the magazine “Gregorian” is getting released on account of Silver Jubilee Year. This is a good venture to relate ourselves to the parents, the students and to the general public keep them informed about the goal and purpose of the Education and which includes extra-curricular activities of MGC.

Most important thing in life is to teach the students to make decision in life and to be self reliant so as to enable them to live their own life and to contribute their share to the society. Thus the goal of education is to discover the deeper meaning of life of transcendence, to learn to interact with others, love creation, to think freely and critically, find fulfillment in work, plan their future or in one word to learn “To Be”. It is in and through education that one can hope for more human and humane future and a more harmonious society.

Thus focus of education is to form the young to evolve as men and women of character, conscience, competence, compassion and commitment.

I believe and hope Mar Gregorios College has taken the Mission and Vision of its founders to the generations. We have to be more vigilant and vibrant in the field of education because the world has become more competitive and consumerism oriented.

We shall march forward to spread the light of wisdom and knowledge amidst all current challenges and difficulties.

I wish you all the blessings in the year of Silver Jubilee Celebration and NAAC Peer Team visit for the first time in history of MGC. I thank for your enormous support and dedication to MGC Chennai.

God Bless You All

With Prayers in the name of God.

Thomas Mar Anthonios

Metropolitan Bishop

Eparchy of St. Ephrem Khadki- Pune.

MESSAGE FROM THE SECRETARY

I share my good wishes and blessings on behalf of MSC Management and MSCT Chennai and am delighted to see the young minds bloom with such creativity being shaped by the teaching faculty of MGCCHENNAI.

The institution truly follows Albert Einstein's philosophy, "Education is not the learning of facts but the training of the mind to think." The number of opportunities that is provided to them to enhance their thinking and to experiment with different fields makes this institution unique. The success stories of the students in many important fields bear witness to the kind of learning and freedom with utmost gratitude all the Bishop's, Correspondents, Secretaries, principals, Vice Principals, Dean's, HODs, Teaching, Non-Teaching Faculties, Parents, Alumni, Vendors, Benefactors, Well Wishers and Dear Students for their adorable contributions.

I believe that education is the most powerful weapon to change the world and the use of these weapons is to mould young minds to think intensively and to view everything with a critical eye. If a mind is inspired and motivated with proper guidance, it will be able to conquer any challenge. The institution provides a platform and abundant opportunities towards excellence. I take this opportunity to congratulate the committee of Magazine for their tireless and committed Creations. We the Management is always for the aspirants who seek Education from MGC and MGC Family Move Ahead with great dreams on its Wings.

Many Thanks and Blessings

Secretary & Local Management & Bursar
Rev.Fr.Philip Pulipra

MESSAGE FROM THE PRINCIPAL

Greetings!

“We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one’s own feet” – Swami Vivekananda

Mar Gregorios College is an institution which aims to offer education to the students to make the world a better place for each one of them to enlighten their future in various professions, we are proud to say that the students of our college are from mediocre social background. We offer them enormous number of values that one should carryout throughout their journey in this universe. We strongly inculcate the human values to survive a healthy spiritual and moral life.

I am extremely happy for the Teaching Fraternity for their Awards, Doctorate Degrees, honors and recognitions received which stand as a testimony of one’s incredible professional journey which also motivates to push the bar further and strive harder to nourish the young minds of our college. Teachers are the driving force for the Students who motivate them to convert challenges into opportunities. Gregorian 21-22 is a platform where students have unveiled their literary and artistic talents. I believe that writing ability exists in all but the urge to write is possessed by a few. It has been a constant Endeavour by the teachers to stir this urge on students to write about the things they feel, see and do. I am proud of the small group of Students represented here

I congratulate and appreciate the Editorial Board on its tireless efforts to bring out this publication. I do extend my sincere thanks to all those who’ve contributed to this issue and enhanced its perfection and beautification through their accolades, achievements both curricular and co-curricular activities, articles, poems, jokes, thoughts, mind games, artworks etc.

The institution where I work is an institution in which I wish to bring out the better changes today and tomorrow. I would profoundly insist the same with the staff and the students of the institution. I pray to the almighty to strengthen us with knowledge and power to prolong the fame of our institution.

Dr.M.SIVARAJAN
Principal

MESSAGE

Greetings!

Mar Gregorios College of Arts & Science is a renowned and prestigious institution of the city of Chennai and I feel extremely happy and privileged to be part of this magnificent educational institution. I gratefully acknowledge the yeoman service of my Predecessors, dedicated Teachers & Staff and ever supporting parents and well wishers of MGC fraternity. May God be gracious to you all for your noble contribution towards the Institution.

Today we are living in a complex society, which presents before us challenges as well as opportunities. In this context it all depends on every individual how one responds to the situation with the right mindset.

I remember the words of Benjamin Disraeli, “Nurture your mind with great thoughts, for you will never go any higher than you think.” Indeed, we need better education to have better thoughts, to be better human persons, to build a better society. I firmly believe that every human being endowed with various talents and skills is a precious gift of God. I am very pleased to bring to your notice that Mar Gregorios College of Arts & Science is one of those Colleges which provides ample opportunities along with a value based wholesome quality education to nurture the inner potentials of every child.

I wish and pray that everyday be a special day for every child who enters the portal of Mar Gregorios College, with a heart and mind to grow more each day with gained knowledge.

With Prayers and best wishes!

Dr.G.Gayathri

Vice Principal, Shift-I

MESSAGE

The purpose of College Magazine is to give a view of the life of the college and to reveal the creative genius of the students. It contains poems, articles, and short stories all written by the staff and students. The most important is that it brings out the latent creative talents of the students and thus helps them to be good writers. The college magazine also reflects the academic and co-curricular activities of the college. The magazine is a mirror of our college, as it showcases the achievements of staff and students. The magazine captures the pictures of various events and programmes conducted by the College.

I express my deep sense of gratitude to the Management, Principal, Staff and students for their enormous and continuous support in the preparation of the Magazine.

My special appreciation to the Editorial Board of “Gregorian 22” for their tremendous work taken in publishing the Magazine. Let us take the Legacy of bringing out the talents of the young minds to the next level.

Best wishes to MGCians.

Regards

K. Subhashini

Vice Principal – Shift II

MESSAGE

Editorial message:

Greetings!

For the Lord loves the just and will not forsake his faithful ones - Psalm 37:28

The Editorial Board proudly present its unique creation in the form of the Annual Magazine every year which serves as a platform to highlight the literary and artistic segment of MGC family. The Editorial Board form a bridge between flowing thoughts and artistic magnificence. The magazine highlights the educational, Cultural and sports activities of the institution.

The glimpses of the magazine reveal that the education is tinged with academics and creativity. Even a lay man can understand it. The magazine chronicles the activities of the staff and the students in all walks of life. It portrays the nuances of the journey of the MGCians in the academic year 2021-22.

The issue includes poems, anecdotes, and articles.

That's why MGC family is eagerly looking forward for its publication.

We hope you enjoy reading this issue as much as we have enjoyed making it.

Thanks & Regards

P.Lavanya Devi

Chief Editor

MAGAZINE 2021-2022

We the MGC Family take immense pride in portraying the nuances of its dauntless journey towards quadrantscentennial anniversary. In this journey, the major initiatives, events, activities and the achievements of the staff and the students are chronicled.

Chennai, a beautiful city in Tamil Nadu, is the incarnation of hospitality and fidelity. Similarly, our MGC is also an incarnation of hospitality, discipline, and the best education. It sounds apt and beautiful when Mgc thanks Chennai. Yes! This Annual Report is the testimony to our M.G.C Family and to our theme “MGC THANKS CHENNAI”.

Mar Gregorios College of Arts & Science was established in 1997 by the Malankara Syrian catholic management. It is a Christian minority institution named after the most reverend Benedict MAR GREGORIOS, Late ARCH BISHOP of Tiruvananthapuram Arch Diocese. Nested in an eight acre campus in the great city of Chennai, our college has rendered remarkable service in all walks of life all over the country. Building on a legacy of achievement for 24 years, this has proven to be yet another exceptional year of our college.

He demonstrated few techniques to the students by making them to actively participate and therefore to protect themselves. All the three year students from English and Mathematics department attended the session enthusiastically and learnt the art of life skills. More than 100 students energetically participated and benefited from the sessions.

Guest Lecture

Mathematical Statistics

The department conducted an online Guest lecture an ‘Overview of Statistics’ on 22.10.2021 via Google meet. The Resource person for the webinar was Dr.M.Ramadurai, Assistant Professor, Department of Statistics, University of Madras, Chennai. ‘Applications of Statistics’ were explained by the Guest Speaker with PPT presentation. Nearly 100 Staff members and Students benefited in this lecture.

Linear Algebra

The department conducted an online Guest lecture an ‘An Overview of Algebraic Structures’ on 29.11.2021 via Google meet. The Resource person for the webinar is Prof. S. Deepa, Assistant Professor, Department of Mathematics, Shri. Shankarlal sundarbai Shasun Jain College for Women, T.Nagar, Chennai. A basic concept of Algebra was explained by the Guest Speaker with PPT presentation. Nearly 20 Students were benefited in this Lecture.

Algebra & Allied Mathematics

Department organized a guest lecture via Google meet for the first year students of B.Sc. Mathematics and Computer Application (2021-2022) on “Reciprocal Equation”. The speaker of the session was V.R. Bindu Kumari, M.Sc. M.Phil., Assistant Professor, St. Thomas College of Arts & Science, Koyambedu, Chennai on, 29th November 2021 at 11.00am. Around 47 students participated in this Guest lecture. Speaker explained the reciprocal equation and their types.

Discrete Mathematics

Department organized a guest lecture through Google Meet for the third year students of B.Sc. Mathematics on “Graph Labelling And Its Applications”.The speaker of the session was Prof.S.Sounderajan, M.Sc., M.Phil., M.Ed., SET , NET Assistant Professor, MIT Chennai, on 1st

December 2021. Around 14 students participated in this Guest lecture. Speaker explained graph labeling and its applications to the participants.

Dynamics

Department organized a guest lecture via google meet for the final year students of B.Sc. Mathematics on “Moment of Inertia”. The speaker of the session was D.Balaji M.Sc., M.Phil, B.Ed., Assistant Professor, Christ College of Arts and Science, Kilachery on 10th January 2022 at 12.00pm. All the final year students of B.Sc. Mathematics participated in this Guest lecture. Speaker explained about “Moment of inertia” with real life example and their cases to the participants.

Numerical Methods & Allied Mathematics

Department organized a guest lecture via google meet for the first year students of B.Sc. Mathematics and second year students of B.Sc. Electronics and Communications science on “ Finite Differences ”.The speaker of the session was Prof.E.Jothi, M.Sc., M.Phil., Assistant Professor, Bhakthavatsalam Memorial College, Chennai, on 10th January 2022 at 10:30 am. Around 25 students participated in this Guest lecture. Speaker explained the concept of Finite differences to the participants.

Differential Calculus & Allied Mathematics

Department organized a guest lecture via google meet for the first year students of B.Sc. Mathematics and Bsc Electronics and communication & Science on the topic “Maxima And Minima Of Functions” on 12th January 2022 at 10.00am. The speaker of the session was Prof.P.Priya, M.Sc., and M.Phil. SET, (Ph.D.), Assistant Professor, Auxilium College (Autonomous), Vellore.

Allied Mathematics

The Department of Mathematics organized a guest lecture through google Link for the first year students of B.Sc (CS) (2021-2022) on the topic “RADIUS OF CURVATURE”. The speaker of the session was Dr. M. Snehalatha., Associte Prof. SRM IST, Kattankulthur, Chennai a on 12th January 2022 at 10.30 am. Around 50 students participated in this Guest lecture. Dr.S.C.Premila was the convenor of the program.

Real Analysis

Department of Mathematics conducted an online Guest lecture on 29th January 2022 at 11.00 am via Google meet.The speaker of the session was Prof.D.Srinivasan M.Sc.,M.Phil, SET, NET,

Assistant Professor ,Department of Mathematics, Dhanraj Baid Jain College, Chennai. Around 13 students participated in this Guest lecture.

Analytical Geometry

Department organized a guest lecture via google meet for the first and second year students of B.Sc. Mathematics. The speaker of the session was Prof.Y.Geetha Evanjalini, M.Sc., and M.Phil. B.Ed, Assistant Professor, Thirumurugan Arts and Science College for Women on 29th January 2022 at 4.00 pm. Basic concepts and problems were explained by the Guest Speaker with PPT presentation. Around 18 students participated in this Guest lecture.

Resource Management Technique

Department conducted an online Guest lecture on ‘Transportation problem Vs Assignment problem’ on 31.01.2022 at 3.00 pm via Google meet for final year BCA students.The speaker of the session was Prof. S. Deepa, Assistant Professor ,Department of Mathematics, Shri. Shankarlal Sundarbai Shasun Jain College for women, T.Nagar, Chennai, Chennai. Basic concepts and problems were explained by the Guest Speaker with PPT presentation. Nearly 50 Students were benefited in this Lecture. Prof. T.N.Rekha was the convenor of the program.

Differential Equations

Department of Mathematics conducted an online Guest lecture on ‘An Overview of Differential Equations’ on 01.02.2022 at 10.00 am via Google meet for second year B.Sc.Maths students.The Resource person was Dr.J.Janet Sheeba, Assistant Professor ,Department of Mathematics, Loyola college ,Chennai. Around 9 Students were benefited in this Lecture.

Paper Presentation – For B.Sc. Mathematics Students

Department of Mathematics organized a ppt presentation for the first year students of B.Sc. Mathematics on the topic “Contributions of Ramanujan”. Three teams participated in the presentation on 21st April 2022 at 12:10 pm. Around 25 students participated in this paper presentation. This presentation has created a platform to exhibit their talents.

DEPARTMENT OF COMPUTER APPLICATIONS

Faculty Development Programme On Transformation to New Normal Technique

The department organized a One Week International Faculty Development Programme on ‘Transformation to New Normal Technique’ from 9th August 2021 to 14th August 2021. The resource

persons were invited from various Institutions and Industry to share their expertise on New Normal Techniques. Around 77 participants from different colleges benefitted through this event. The resource persons for the FDP were Dr. A.S.Aneeshkumar, Head, Dept. of ISM, Alpha arts and Science College, Chennai, Dr.R.Kokila, Assistant Professor, Dept. of Computer Science, Jyoti Nivas College (Autonomous), Bangaluru, Karnataka, Dr.M.RSumathi, Head, Dept. of Computer Application, Sri Kanyaga Parameswari College for Women, Chennai, Dr.R.Ganesan, Professor, School of Computer Science and Engineering, Vellore Institute of Technology, Chennai Campus, Mrs.Hema Praba Vincely, Risk Manager, EMEA Power Services, Dubai, UAE and Dr.V.Viswanathan, Professor, School of Computer Science and Engineering.

Skill Development Program

In order to develop the various skills of the students, the department organized a five days Skill Development Programme from 15.06.21 to 19.06.21 through Google meet. Around 50 students were benefitted through this skill development programme.

Day 1 - The FDP on Tailoring was conducted on 15th June. The session was conducted by Ms. Harini M.S.W. She explained the ways to expose and display our talents through social media. She enlightened the participants by sharing her views about developing entrepreneur skills, scope of training on Tailoring and also about the available tailoring courses. The programme was very enthusiastic. Many students clarified their doubts.

Day 2 - The programme on Yoga was performed by Ms.P.Kalpana Devi B.A., B.Sc., (Yoga).The session was so interesting. She explained the YOGASANAM through live demonstration. As Yoga proves to benefit mental and physical health, she gave many tips to live a healthy life. It was very useful one during the pandemic situation.

Day 3 –The session was fostered by Mr.Stephen B.C.A., He entertained on house hold pets. He explained how to earn money by growing pets and the profile of dog breeds, growing them and wide range of food brands to be given to them. Teachers and students had an interactive session.

Day 4 - The programme was taken by K.Saranya B.Sc., on Handicrafts. She made a few craft work such as jumping ball, gift items etc... during the session. The session fascinated everyone. She suggested making gift items, rather than purchase.

Day 5 –The FDP was concluded by Ms.R.Rajeshwari Ravikumar BCA., M.B.A., on fashion designing. She is an alumna of MGC (2012 – 2015). She explained the ways to earn money using one's own skill and also the steps to become an entrepreneur. Through online she displayed all her

own hand made dresses. Her experience towards a successful Fashion Designer motivated the participants a lot.

The participants of the five days' skill development programme were provided e-certificates. Staff and students participated in this programme enthusiastically. The FDP received a lot of positive feedback from the participants.

Webinar on Career Guidance

The department organized a webinar on “Career Guidance” for the welfare of the students on 31st July 2021. The II BCA & III BCA students participated in the programme. The resource person of the programme was Mrs. Meena, Department of Computer Applications, DG Vaishnav College. . The students actively participated and clarified their doubts.

Training On Employability and Entrepreneurship

The department organized an Induction Programme – “Training on Employability and Entrepreneurship” on 21st September 2021 at KCG SJ Mini seminar Hall from 12.00 noon to 1.00pm. Prof.A.Vijayakumar, Chief Mentor, Founder & President, India Trust, was the resource person. He explained the need for employability skills and how to become an Entrepreneur. He motivated students to join the training programme at free of cost. The II BCA & III BCA students participated in the programme and the I BCA students attended the programme virtually. Around 150 students participated in the Induction Programme. The main objective of this programme is to know the ways of becoming an Entrepreneur. The students actively participated and clarified their doubts.

Induction Program on Progressive Web App Development

The department organized an Induction Programme on Progressive Web App Development using the tool Angular, Ionic and Firebase on 17th September 2021 at KCG SJ Mini Seminar Hall from 12.00 noon to 1.00pm. Mr.S.Kalidas, Founder, and Director of IFANDFOR ENDEAVOURS was the resource person. The II BCA & III BCA students participated in the programme and the I BCA students attended the programme virtually. Around 150 students participated in the Induction Programme. The main objective of this programme is to conduct a add on course for BCA students on Progressive Web App Development using Angular, Ionic and Firebase. The resource person explained the concept very well through a PowerPoint presentation. The students actively participated and clarified their doubts.

Series of Guest Lecturer Programme

The department organized a series of Guest Lecture Programme for the benefit of our II BCA and III BCA Students on their 3rd and 5th via Google Meet, from 31st August 2021 to 6th September 2021. The topics of the Guest Lecture were working with Graphics in Visual Basic, SQL Query, Decision Making, Branching and Looping Statements, Trees in Data Structures, Planning and Organizational Structure, Computer Organizations, Post Covid Precautions and Environmental Studies with the help of the resource persons Dr.T. S. Umamaheswari., Head, Department of Computer Applications, J.H.A Agarsen College, Madhavaram, Dr. A. Sudha Ramkumar Head, Associate Professors, Department of Computer Science, Sri Kanyaga Parameswari Arts and Science College for Women, Dr.U.Latha Assistant Professor, Department of Computer Applications, Dwaraka Doss Goverdhan Doss Vaishnav College, Dr. S. Jayachandran, Assistant Professor, Department of Computer Applications SRMIST Ramapuram Campus, Chennai, Dr.S.Gayathri, Department of Computer Science, Dwaraka Doss Goverdhan Doss Vaishnav College, Rev.Fr.Dr.John Peter, Dean MSW, and Prof.Kiruthika, Assistant Professor, Sri Krishnaswamy College for Women, respectively.

International Conference on Recent Trends in Information Technology

The department organized an international Conference on Recent Trends in Information Technology on 11th and 12th November 2021. (ICRTIT '21) is a premier forum to present and discuss technology advances and research in the field of Information Technology. ICRTIT '21 aims to bring together leading educators, innovators and entrepreneurs in IT from around the world.

The Invited Speaker for ICRTIT 2021 on the first day was Dr. Houssain Kettani, Professor, Department of Computer Science and Cyber Security from University of South Carolina, Aiken, SC, USA. He delivered the talk on the topic On the Top Threats to Cyber Systems as a keynote address during the Inaugural Ceremony. The Proceedings is being brought out with ISBN number and released during the inaugural ceremony by our Secretary, Rev.Fr.Philip Pulipra. The Technical Session-I was Chaired by Dr.S. Albert Rabara, Associate Professor, Department of Computer Science, Secretary Alumni Association, St.Joseph's College (Autonomous) Trichirapalli. He delivered the talk on the topic Information Security - A Major Concern Today. Dr.T.Velmurugan, Associate Professor, Department of Computer Applications, Dwaraka Doss Goverdhan Doss Vaishnav College, Chennai, Tamil Nadu, and India, lead the second session II. He delivered the talk on the topic Machine Translation: Applications and Algorithms.

On 12th November 2021, day 2, Session III, Dr.S.V. Kogilavani, Professor, Department of Computer Science and Engineering, Kongu Engineering College, Perundurai, Erode, Tamil Nadu, India delivered the key note address on ‘Leveraging Natural Language Processing for Social Media Data Analysis’. During Session IV Ms.Jayanthi Ganesan, Senior Software Engineer, Dallas, Texas, USA delivered a talk on ‘Web Application Front End JavaScript Libraries and Frameworks - An Overview’. Dr.Sudha RamKumar, Associate Professor and Head, Department of Computer Science, Sri Kanyaka Parameswari Arts and Science College for Women chaired the technical of session IV. She delivered a speech on ‘Chatbot – An Overview’.

Around 100 participants have registered from various colleges. About 25 research papers were received which will be presented during the four different paper presentation sessions chaired by eminent Professors in the field of Computer Science.

Refresher Course

- Course Name: Modern Techniques in Data Science - An Introduction
- Date: 09.08.21 to 14.08.21 (Daily 2 hours)
- Aim: To fill the gap between Existing and Recent techniques in the field of Artificial Intelligence
- Outcome: 90 students out of 98 students qualified the exam and received Certificates

REFRESHER COURSE REPORT

The department organized a refresher course on “Modern Techniques in Data Science - An Introduction” from 09.08.21 to 19.08.21 to fill the gap between Existing and Recent techniques in the field of Artificial Intelligence. Second and Third year students of the department attended the course and had immensely benefited. Per day 3 hours classes were conducted. Duration of the course was 30 hours. Aptitude test was conducted at the end of the course to test their skills. Over 82 students out of 98 students qualified the exam and received E-Certificates.

Certificate Course – For Non Computer Students of MGC Shift I

- Course Name: Office Automation
- Date: 09.08.21 to 14.08.21 (Daily 1 hour – 30 days)
- Aim: To educate computer Knowledge

- Outcome: 105 students have registered and benefited

Certificate Course on Office Automations

Department organized a Certificate Course on Office Automation for the non computer Students of the college. Around 104 students from the various departments of Shift-I registered for the course. The Course duration is 30 hours. The Inauguration of the course was started on 1st September 2021. This Course was conducted at free of cost for the student community.

The department conducted a valued added Add-on Course on progressive Web App Development in association with IFANDFOR ENDEAVOURS from 11th October 2021. So Memorandum of Understanding was signed between Computer Application Department of MGC and IFANDFOR ENDEAVOURS on 11th October 2021 for the Conduction of Add on Course and other activities.. Mr. S.Kalidas was the course instructor, he took class in the class room with projector and the hands in training were given in the Computer Lab. At the end of the Course Examination was conducted and the certificates were distributed to the students who completed the course.

MOU with SSS Jain College - Faculty Exchange Program

The department implemented the collaborative activity in Association with Shri Shankarlal Sundarbai Shasun Jain College for Women, T.Nagar by exchanging the staff. For the effective implementation of Faculty Exchange Programme, both colleges agreed to sign in the Memorandum of Understanding. MoU between two colleges was signed on 16th November 2021.

Seminar on Campus to corporate - Expectations and Reality

The department organized a seminar on Campus to corporate - Expectations and Reality on 31.03.2022 in KCG SJ memorial Hall for all the students of the Department. The resource person Mr. J. Joney Brewatson, Pension Asset Management Analyst, Ford Motor Private Company and Alumni of MGC (2001 -2004 batch) shared the entire experience and knowledge of how corporates actually work and showed the reality of corporate. He came up with many activities practically in between the session and makes the session more clear about the reality of the coporates. He conducted many Interactive task and collaborate with the students very well. He shared very basic details to very complex details and how to tackle those issues as well. Around 148 students benefited through this seminar.

Seminar on Character formation

The Department of Computer Application organized a seminar on Character Formation on 04.04.2022 in KCGSJ memorial Hall for the students of BCA. The resource person Dr. D.C.Jullie Josephine, Professor & Head - CSE, Kings Engineering College, Chennai, shared her experience and knowledge on developing the character of an individual. The deliberation precisely differentiated between character and personality. She conducted many tasks and interacted with the students very well. Citizenship goals were discussed. The character formation of a person was well explained by using a simple pencil, which was very creative and understandable. Around 119 students benefited through this seminar. Overall, the seminar was very good and it was highly useful to the students.

Event for High Achievers

The department conducted the following events for the High Achievers

1. Coding to solve the problem using Python/C/C++/Java/Visual Programming
2. Web Designing
3. Power Point Presentation

Students from all the three years actively participated and won the prizes.

The department organized a seminar on “Awareness on Competitive Exams” for 3rd year students of the Department on 25th March 2022, in their classroom at 10.00 a.m. The resource person Dr. C. Magendran, Asst. Professor, Department of Tamil, Mar Gregorios College of Arts & Science, Chennai, shared his entire experience and knowledge on developing the skill of an individual. He precisely and clearly explained about the competitive skills required to face the examination and also about the planning and execution of the knowledge. He explains on how to practice the examination with the stipulated timing to be manipulated for the preparation of the examination. Around 48 students benefited through this seminar. Overall the seminar was very good and it was highly useful to the students.

TECHNOCLASH 2022

The department conducted TECHNOCLASH 2022 – intra Department Competitions for the Students on 21.04.22. Off-stage events such as Poster Design, Debugging, Best out of e-waste and on-stage events such as Technical Quiz, Tech Connect, Just a minute, Mime, Ad-zap and surprise event were conducted. The Students are grouped into 4 teams. The teams are as follows...

1. Android Donut, 2. Android Marshmallow, 3. Android Nougat, 4. Android Froyo

From each year team coordinators were assigned. They coordinated the students to participate in the events. Students are actively participated and showed their talents. Based on the winning performance individual championship and overall championship were awarded. The Team “Android Froyo” bagged the overall championship. The department staff had contributed their effort towards the success of TECHNOCLASH 2022. The valedictory function was held at 12.30pm. Principal Dr.M.Sivarajan felicitated the gathering and distributed the prizes to the winners.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION SCIENCE

The department of Electronics and Communication Science organized the webinar on Exploring MGC on 23rd June 2021. Career Opportunities, higher studies and Scope of the courses were enlightened in the webinar.

To promote the course –Department had taken initiative and conducted essay and slogan competition on Covid challenges for Higher Secondary School students. Winners were awarded with cash prize.

The department signed an MOU with Sree Technologies (A Franchisee Of Prolific Systems Pvt Ltd) was signed on 1STJuly. Workshops, Seminars, Projects and value added Courses can be conducted by Sree Technologies with less cost or free of cost.

Virtual Intercollegiate Skill Development Program, “Employability Skills” was organized on 19thJuly 2021 from 11.30 am to 1.30 pm. The major objective of the programme is to give exposure to students on the skills required to face interviews. Around 107 students participated in the program. The resource person was Mrs.Valli Selvaraju (Soft Skill Trainer). She gave an excellent presentation and there was no doubt that she was a “Best Performer Awardee”. Her presentation includes topics on “Resume Preparation”, “Group Discussion” and “Interview Handling”.

The department organized a Five Day State Level Faculty Development Program on “Emerging Trends in Electronics” from 26th July 2021 to 30th July 2021. Dr. Rev. Fr. John Peter

invoked the blessing of God with a word of prayer. Rev.Fr. Philip Pulipra, Secretary blessed the gathering and also appreciated the Department for taking such initiative. Dr.M. Sivarajan, Principal felicitated the gathering.Mr. R. Jagadish and Mr. M.S.Harish Core Research Group Engineers, Sree Technologies, Chennai were the Resource persons of the FDP.

Free Vaccination Camp in association with the Corporation of Greater Chennai was arranged in our college premises from 09:00 A.M to 4: 30 P.M, on 2nd September 2021. 118 Students, 25 Staff, 24 family members, relatives and general public were vaccinated with Covaxin/covishield. Totally 167 members got vaccinated.

The Virtual Program on “Building Inner Self” was organized from 16th to 23rdAugust 2021. The resource person was Ms.YaminiRajagopal, MSW / PGDCP / MSc Applied Psychology / Life Coach / Assistant Professor, Department of Social Work, Counselor and Psychotherapist.The major objective of the programme was to improve the inner self and mental health of students which develop their healthy lifestyle.

Day – 1 (Time: 9.50am to 11.20am)

The Program began with an introduction of the resource person by Dr.S.Fabbiyola, Assistant Professor, Department of Electronics and Communication Science. The session started with a video song played by resource person followed by a presentation on “Self Care”. She explained about six emotions, difference between emotions and feelings, self love and self care. She also asked the students to carry out an exercise which involved thanking each and every part of the body.

Day – 2 (Time: 9.50am to 11.20am)

The session started with a video song played by the resource person followed by a presentation on “Empathy”. She also presented a video on “Empathy”. She explained all the blocks to feel empathy like addiction lock, power lock, arrogant lock, reversal lock, pain lock etc. She also described the three types of empathy namely physical, emotional, and social.

Day – 3 (Time: 9.50am to 11.20am)

The session started by the resource person with a video song followed by a presentation on “Anger”. She gave some tips to control anger and compared the human character with Tortoise, Shark, Owl, Fox & Teddy bear. She also gave an activity for the students that prompt discussions about the advantages and disadvantages of strategies for dealing with a conflict. The objective is to strengthen self-awareness, understand conflict management styles, identify individual and collective conflict management styles, and explore areas of growth.

Day – 4 (Time: 9.50am to 11.20am)

The session started by the resource person with a video song followed by a presentation on “PERMA”. She explained about sustained happiness and the “PERMA” model. It included positive attitude, engagement, healthy relationship, meaningful life, accomplishment of a person and the session came to an end.

Day – 5 (Time: 9.50am to 11.20am)

The session started with a video song which was followed by a moral video on “Gratitude”. The resource person shared her personal experience. She also gave an activity to the students followed by tips to get rid of complaints in life. Finally she presented a moral video on “Affirmation” and explained the importance of “Gratitude & Affirmation”

Parambariya Unavu Thiruvizha” (Traditional Food Festival)

The department in association with ICDS (Integrated Child Development Service) organized Traditional Food Festival on 28th September 2021. The main objective of the event is to provide knowledge related to Traditional foods and their health benefits. The program started with a prayer by Ms. A. Indhuja of III BES, followed by Thamizhthaivazhthu. Dr.S.Fabbiyola welcomed the gathering & introduced the Chief Guest, Mrs.M.Vanitha Devi, MSc, MPhil, Child Development Project Officer. The Principal, Dr.M.Sivarajan presented a memento to the Chief Guest and addressed the gathering. It was followed by the chief guest’s address. She gave awareness about the nutritious benefits of traditional foods. It was followed by “Oath taking ceremony” by all the students. The principal was invited to cut the cake prepared from traditional food items. It was followed by vote of thanks by Prof.M.Sathiya and the programme came to an end after the National Anthem.

The traditional food items were distributed to all the students and staff gathered in the hall. Also few other staff visited the stall displayed in Mar Ivanios hall and tasted a few food items.

Add-On Course: “House Hold Appliances” was conducted by the department. The duration of the course “House Hold Appliances” was 40 hours from 01/09/2021 to 24/09/2021. The course includes the fundamentals of Active & Passive components like Transistor, logic gates, Resistors, variable resistors, Capacitors, Inductors and the application of these components in “House Hold Appliances”. Around 55 students registered for this course. The students were given two assignments and one test, based on which certificates were issued to them. This course helps the students to know

about their own house hold appliances like Coffee maker, Washing Machine, Plumbing, Electric Iron, and Electric Geysers.

The department conducted 30 Hrs Value added Course on “Pic And Arm Based Microcontroller” In Association With Prolific System & National Skill Development Corporation (NSDC) From 04/10/21 To 27/10/21. The Resource Person for the event is Mr. M.S. HARISH, Core Research Group Engineer, Sree Technologies, Chennai. The main objective of the course is to train the students on the programming of microcontrollers by understanding the concepts theoretically as well as practically. The topics covered in the course were Introduction to Various Programming Languages like C, C++, Java, Python etc. Also gave a detailed explanation on PIC architecture, UART, types of communication, types of ADC, timers etc. The course also covers working of ARM based products and development tools. At the end of the course students’ performance were evaluated through successive assignment and examination. Certificates were distributed to the students by Mr. Venkatesan(partner PROLIFIC System) on 30/10/2021.

Guest Lecture Series

A guest lecture on “Microprocessor 8085 & Interrupts was held on 1st September 2021. The lecture to provide the students with an opportunity to get a head start in Microprocessor , which is also a part of the syllabus for the 5th semester ECS students. The III year ECS students attended this Lecture. The session was started by Prof .S.V.RAJIGA, Assistant Professor Department of Computer Science, Nazareth College of Arts and Science, Chennai, who began with the introduction to what is Microprocessor, and also the importance of a tiny chip such as a microprocessor. This Lecture covered following topics. Basic of Microprocessor, Pin functions, Architecture, Interfacing Units and Applications about Projects.

A guest lecture on “Instrumentation In Power Electronics was held on 2nd September 2021. The guest lecture to provide the students with an opportunity to get an idea in Instrumentation, which is also a part of the syllabus for the 5th semester ECS students. The III year ECE students (around 40) attended this Lecture. This Lecture covered the following topics. The resource person of the event was Prof V.Saravana Sundar, Assistant Professor, Department of Electronics and Communication Science, Hindustan College of Arts and Science, Chennai. The resource person addressed the students regarding the industrial automation and application of power electronic drives in industry. The resource person discussed with the pre requisite of Power Electronics System, Power electronic converters in Electrical Drives DC and AC Drives, Modeling of power converters like current controlled converters. Around 31 students from IIIrd year participated in this program. The

guest informed the students about certain concepts which dealt with practical applications of them. The session concluded with a highly intensive and interactive manner by clarifying the doubts and questions raised by the students. During the feedback session students were happy to learn new concepts with clarity from the very basic of the technology.

A guest lecture on “Values For Lives “was held on 2nd September 2021. The guest lecture to provide the students with an opportunity to get an idea in Instrumentation, which is also a part of the syllabus for the 5th semester ECS students.

Guest Lecture on “Acoustics & Ultrasonics

The program started with a prayer by Ms. S. Jeevitha of II BES, followed by welcome address & Introduction of the resource person “Dr.S. Cynthia”, by Dr.S.Fabbiyola. It was followed by the presentation of the resource person. She gave an excellent presentation on “Acoustic Energy”, “Types of Acoustics”, “Applications of Acoustics”, “Acoustic materials”, “Intensity of Sound”, “Loudness & Pitch of Sound”, “Reverberation” , “Advantages & Disadvantages of Reverberation”, “Applications of Reverberation”, “Ultrasonic production”, “Applications of Ultrasonics in Engineering & medical”. The program was concluded with vote of thanks by Ms. M. Shalini of II BES. All the II BES students participated. She appreciated the students for their interaction. It was a very useful session and the students were benefitted.

Guest Lecture on “Flip Flops” (“Digital Electronics)

Guest lecture on “flip flops” (“digital electronics) was conducted on 6th September 2021. The resource person was Dr RamarKalangiyam.R, Assistant Professor, Thamirabharani Engineering College, Thirunelveli. The lecture was on various types of Flip flops and its application in automization world”, many students interacted with the resource person and gave positive feedback on the session. It was a very useful session. Students learnt How to design the latest Atomization circuits using FLIP FLOPS.

Department organized a Guest Lecture Programme on Industrial Electronics for the III year class on 06/09/21, at 9 a.m. which is part of the Lesson Plan. Mr. K. Sudhakar, Assistant Professor and Head, Department of Electronics and Communication Science, KRMMC, Adayar, Chennai was the resource person. The topic for the Guest Lecture is “Applications in Industry”. He highlighted various Industrial applications of Relays, Switches, and Converters etc. All the III year students participated and got benefitted. Finally he interacted with the Students and clarified their doubts about application of various power electronic devices in the latest trends of the electrical engineering

and provided two way communications between consumers and utilities. The lecture proved to be very inspiring and informative for the student.

Guest Lecture on Applications of Op-Amp (“Analogelectronics) The Guest lecture was organized for Second Year students and the contents covered were highly beneficial. A Guest Lecture on Applications of OP AMP was given by Mr. K. Sudhakar, Assistant Professor and Head, Department of Electronics and Communication Science, KRMMC, Adayar was the resource person. Op-AMP, which can be used to design and optimize circuit performance, was discussed. He also explained in detail the recent trends of Op-AMP which is especially used for small signal analysis.

Guest Lecture on “Antenna and Television Engineering

The session was handled by Prof. R.Ramar Kalangiyam, Dept of Electronics and Communication Science, Thamirabharani Engineering College. He gave an excellent presentation and there was no doubt that he was a “Best Skillful Personality”. His presentation includes topics on various types of television and advancement in television engineering”. Many students interacted with the resource person and gave positive feedback on the session. Students learnt How to Deal with high end versions of television and satellite TVs.

Counselling Session

In order to lighten student’s anxiety a counselling session was arranged on 17/0/21. She explained about Emotional Self-Awareness. She said it is the ability to understand your own emotions and their effects on our performance. It was a useful session for students.

International Conference on Role of Communication in Media VISTRONICS

Department of Electronics and Communication Science & Visual Communication in association with IQAC organized an International Conference on Role of Communication in Media on 21st and 22nd October 2021. Dr.R.M.Vasagam, Veteran Space Scientist, delivered the inaugural address on the topic Role of communication in media. Mr. R. YokeshRajan, MD of SCH, CEO in RRFPM (SICA), spoke in detail about the role of communication in media. DR.S.Swarun kumar, Associate Professor from U.S. delivered his speech on the topic Towards City scale low – Wireless, Internet of things. Mr .Harish Kumar, Professional speaker, Artist and Film Maker has delivered his speech on the topic Visual Branding and its Importance. Prof.C.S.Karunakaran, Assistant Professor, Dept. of Aeronautic, HITS, delivered a keynote address on Robotic and Animation. Fr.Dr.S.Ignacimuthu, former Vice Chancellor Madras University, Environmentalist, and Former Principal of Loyola College delivered his speech on the topic - Climate Change and our response.

Dr.Kris A.Chander, Canada, Director, Cinematographer has explained the cinematography. Mr. M. Loganathan, Government Advocate, Madras High Court, Legal Advisor of Tamil Nadu Public Service Commission, TN Medical Recruitment Board. He interpreted about learning as a never ending experience. He added that Law is also equally important to Visual communication and Electronics. More than 20 papers were presented.

Innovative Teaching Methods

From 4th December to 17th December, the department arranged advanced learning methodology using ICT TOOLS. The students of second and third year B.SC Electronics and communication science presented papers on new trending topics in the field of Electronics Science. Each student presented PPT using ICT tools. The Paper Presentation helped them to gain experience for preparing the presentation and also helped the students to gain expertise on the topics and therefore enhanced their knowledge, learning and communication skills

Internship

From 20th January to 13th February 2022, 40 students from final year underwent Internship training in Sree Technologies, A Franchisee Of Prolific Systems Pvt Ltd.

Motivational Seminar “Campus to Corporate”

A motivational seminar on “Campus to Corporate” was organized on 29th April 2022. The major objective of the programme is to enable students to understand the transition from being a student to becoming a professional. Students gain the confidence to perform a job, yet will be open to learn much on the job. The resource person, Prof Sharmila Williams, Assistant Professor, Department of Computer science, Mar Gregorios College of Arts & Science, started her presentation. The program was organized to help students improve their communication(Spoken, Written & Presentations Skills), to build confidence, develop self-esteem, and to bring positive changes in the attitude & behaviour of the participants, to impart career specific practical inputs along with sharing the expectations of corporate and to give inputs into writing their resumes to facing interview to learning corporate etiquette.

Career Guidance Seminar on “Competitive Exam Awareness”

An awareness program on Competitive Examinations was conducted on 30/04/22 for final year students of B.Sc Ecs from 10 .00 am to 12.10 pm. The major objective of the programme was creating an awareness among the students about the various competitive exams that would open their career gateway.To clear the study strategy of student for cracking civil services and guide

accordingly at early stage. Dr.C.K. Mahendran, Assistant Professor, Department of Tamil, Mar Gregorios College of Arts & Science was the resource person. He gave details about the TNPSC exams, UPSC exam, Bank Exam and other Competitive exams. He discussed about the three levels of examination, depth required in each level, selection process, marking scheme and finally services which one gets on qualifying the Civil Service Examination.

Response from the Students: Students actively participated and cleared their doubts about civil services during the lecture. Overall response of students was very nice and students have mentioned the arrangement of such type of programs was very useful.

Signing of MOU with Institute of Aeronautics Astronautics and Aviation (IAAA)

MOU between MGC & Institute of Aeronautics Astronautics and Aviation (IAAA) was signed on 4th April 2022. Workshops, Seminars, Projects and value added Courses can be conducted by IAAA with less cost or free of cost.

Workshop on “Character Formation”

The workshop was organized on “Character Formation” on 13th April. The major objective of the programme was to enable students to understand and care about ethical values which will lead them to success. The Program was Started at around 11.30am with a prayer by Mrs. W.Maxin Popy Rose which was followed by welcome address given by T. Jemi Christina of II BES. The resource person, Mrs.R.Amutha MCom, MPhil, B.Ed., Assistant Professor, Department of Commerce, MGR University, Chennai started her presentation. It includes topics such as “Passion in the subject with 100% effort”, “Quotes from Abraham Lincoln”, “Acceptance of success and Failure equally”, “Positive thinking”, “To be Job creators and not Job seekers”, “ Value of Time and its Usage”, “Infactuation”, “Quantification” and many more. Our Head of the Department, Mrs.V.Savithri presented a gift to the resource person. The program was concluded at around 1pm with Vote of thanks given by A.Indhuja of II BES which was followed by Photo session.

Workshop on “Promising Technologies in Electronics”

The workshop was organized on “Promising Technologies in Electronics” on 20/04/22 in Mar Ivanious Hall. The major objective of the programme was to enable students to understand the recent trends in technologies involved in Electronics.

ELECTROFEST-2K22” – Intra-Departmental Competitions – 02/05/22

The Department organized an Intra- Departmental Competitions for our students on 02/05/22 in Mar Ivanios Hall. These competitions were conducted to bring out their capacity for creativity, critical thinking and focused effort. Five On-stage events were conducted namely “Just a Minute”, “Paper Presentations”, “Meme Creation”, “Ad-Zap”, “Short Film”. Five Off-stage events were conducted already namely “Best out of Waste”, “Drawing”, “Poster Designing”, “Logo Designing” and Cricket. The Valedictory function started at around 12pm with a prayer by Dr.S.Fabbiyola. The prizes for all the winners were distributed by our principal & Our Secretary.

DEPARTMENT OF VISUAL COMMUNICATION

The department of Visual Communication conducted an endowment lecture for all students on 02.06.2021 in the title Impact of Covid 19 and Vice Versa the objective of the programme was to promote research and development in the field of visual communication.

A Seminar was conducted on 16.09.2021 in the topic Creativity For Career the aim of the programme was to develop the skills which will be participative learning for the students.

One Day Workshop for II,III Years was conducted on 17.09.2021 in the topic Damnation . The programme was meant to help students develop the skills which will be participative learning for the students.A Workshop was conducted exclusively for II,III Years from 20.09.2021 to 25.09.2021 on Acting Ms.Malini Jeevarathnam.Film Maker and Mr.Niranjan.Actor,Acting Trainer were the resource. The workshop helped students develop the skills on Acting. The Workshop Noshram Saral for all III Years was conducted from 31.10.2021to 06.10.2021. Rev.Dr.Rajanayagam.Father of Visual Communication, Mr.Parthiban.Advocate and Activisit, Mr.Abdul Kadhar.Tamil Scholar Research Guide Mr.R.D.Raja.Director & Producer, Mr.Joe Malloori, Poet, Actor Ms.Shaffana Parveen.Trainer, TN Police Department were the resource. Another Workshop was conducted for III Year students on 24.03.2022 Rev.Dr.Rajanayagam.Father of Visual Communication Mr.Manimaran.Director Mr.Ashwin Noel Cinematographer enlightened the students.

International Conference Vistronics was conducted by the department on 21.11.2021 and 22.11.2021 R.M.Vasagam.Council Member Aerospace, Mr.Loganathan.Legal Advisor For UPSC, Mr.C.S.Karunagaran, Asst.Prof.Dept of Aeronautics, HITS were the resource. The aim was to promote research and development in the field of visual communication.

Debate

Department of Commerce Accounting and Finance organized a debate for III year B.Com Accounting and Finance Students students on "Online Vs. Offline Marketing Which Is More Effective" on 16th December 2021. The debate helped the students to think critically and share their views on the given topic. Two teams with nine students in each participated in the Debate. One team spoke in favour of online marketing, and the other team spoke for offline marketing. Debater from the team online marketing said it is a useful method of buying for the new generation and has more flexibility.

Debater from the team offline marketing said it allows the purchaser and seller will have more interaction. Pandemic is one reason where we depend more on online marketing. Person who resides in the remote areas finds it difficult to access online marketing due to poor internet connectivity. The moderator concluded by saying that online and offline marketing has to go hand in hand based on the situation. Abitha and Varunrajan of B.Com Accounting and Finance Students were selected as best speakers from both the team.

Programme on the Theme 'Conscious Leadership' Held On 13th to 17th December 2021

A unique and highly interactive 5 days virtual faculty development programme was held on theme "Conscious Leadership" where esteemed Associate professors from various college were invited to speak on the theme.

Dr. Smilee Bose, Associate Professor, Head in charge Department of Corporate Secretaryship and Bank Management, in St. Peters Institute of Research and Higher Education, Avadi, Chennai was the resource person on 13th and 14th December, 2021.

Day 1 began with the topic “Discovering the leadership attitude.” Her speech about the approaches, scope, scale, philosophy, standard, control and theme, impressed the participants well. She focused on three things i.e., learner’s focus, teamwork and participation and finally continuous improvement, which made a positive impact on the faculties who participated.

On second day of FDP, Welcome address was given by Prof. R. Selvi, Head, Department of B.COM (A&F). Prof. Dr. M. Sumathy, Department of B.COM (A&F) introduced the guest. Dr. Smilee continued her thoughts for the second day also. She started her discussion with recap of previous day and shared her idea on “how a leader to be perceived and how to improve the Leadership Attitude”. It was a valuable interactive session.

The resource person for the third day was Dr. M.S. Punithavathy, Associate Professor, Department of Tamil, Pachaiyappa’s college, Chennai. Dr. A. Kannaki, Asst. Prof., Department of Tamil welcomed her and Dr. T. Prema, Head, Department of Tamil introduced her as the resource person for the session. Her discussion was on the topic “Leadership Quality” She began the session by explaining qualities of a good leader, how Successful leaders demonstrate their qualities in their personal and professional lives, inspiring others to take action and set a course for future success. Strong leaders also practice key behaviors on a regular basis in order to strengthen the positive impact of the qualities.

The fourth day of FDP began with the Welcome address by Dr. C. Magendrian, Department of Tamil and introduction of the resource person was done by Dr. D. Jemila, Department of Tamil. Dr. R. Sivasakthi, Associate Professor, Department of Tamil, Queen Mary’s college, Chennai, discussed on “Leadership skill”. She began the session by briefing several core leadership skills that are considered as important traits to help to become a more effective leader. Few points to remember from her speech are taking initiative, developing critical thinking skills, and learning how to motivate and empower those around us.

In the last day of the FDP, Welcome address was given by Dr. Ambikavathy, Department of Tamil & Dr. V. Iyappan, Department of Tamil introduced the resource person. The day concluded with the views of Dr. T. Prahalathan, Associate Professor, Department of Tamil, Sindhi college of Arts & Science Chennai, who gave a speech on the topic “Leadership in Teaching”.

INDIVIDUAL CHAMPION AWARD

BOYS – KEVIN IMMANUEL – RED HOUSE

GIRLS – E. SANGEETHA – YELLOW HOUSE

OVERALL CHAMPIONSHIP “YELLOW HOUSE”

Views & thoughts of Gregorians

APPARENTLY HOOKED....

Every generation has a hi-fi fiend, once theatres, then television and now the cell phones. Cell phones have become an integral part of our lives. Whatsapp, Facebook, Snap chat, Twitter and Instagram have become the status symbols of a trendy, supposedly well-informed lot. It has become customary to pass on all the forwards received. There are evidences and reasons for concern. According to polls, Seventy eight percent of the population check their cell phones once in four minutes. Millions are apparently hooked to their mobile phones. Cell phone addiction is no joke. Why are we so inclined towards cell phone? Some science behind it is human mind is always after reward for hunt, reward for the self and reward of the tribe. In simple words, every time you grab the cellphone it has something new for you- a video, message, news, and sundry. But remember all those stuff are not personally meant for you. Personal acknowledgement is the second interesting fact with cell phones. You are personally acknowledged, the number of love and like means a lot to the young mind. Wait...truly though do “likes” really matter? May be. But maybe not. In fact our lives do matter. “Likes” at the cost of lives? Man being a social animal is the third fact that triggers. The desire for man to live in tribes force him towards social media. We are not meant to be isolated, at the same time relying on social technology to suffice the isolated life is absurdity. Can swiping stand for speaking? Teens are more interested in engrossing themselves in the world of smartphone game than real life. Perhaps it’s time to take small steps towards managing what could be addiction. The inability to regulate one’s usage of mobile phone probably leads to addiction. Beating cell phone addiction is exasperating. The question is how? We are all addicted to our thought, we cannot change anything if we cannot change our thinking. The ideal thing is for the self to take as gospel truth that they are addicted. Creating an unplugged zone, replacing a smartphone with a basic model, allocating time for messages and mails, turning a deaf ear to the buzz, may restrict the usage. It’s time for the wake-up call. Let our young generation be well nurtured plants. If we don’t value our youth we don’t deserve a future. Let not the blank screens take away the brimming happiness and blooming talents in us. Let’s not live in shadows. Our dreams today can become our passions tomorrow. May we unchain ourselves from the clutches of the “hello stick”. Not sure if I will ever be read or heard but my honest sympathies are to those who live in this make-believe society. The gadgets shall not make us fidgety and jittery. Not our knuckles turn numb of scrolling. Those little hands have much more to accomplish. My sincere prayers are **PLAY LOW! PLAY NEUTRAL! PLAY SAFE!**

Mrs. Navukkarasi Gomathi. C

இளந்தமிழ்னை எழுந்து வருக:-

எழுந்து வா கிளைஞனே!
 உ கடை பெஞ்சில் அமர்ந்து
 நீனசர் விடயத்தானை
 கீழ்ப்பீ கீழ்ப்பீ படித்தது போதும்
 எழுந்து வா கிளைஞனே!

குட்டி சுலா மீது அமர்ந்து
 விவடி பேச்சு பேசியபடி
 பீடி சீகவிரட குடித்தது போதும்
 எழுந்து வா கிளைஞனே!

பகவிலல்லாம் மாதுவின் பின்னால் தீர்ந்து
 இரவிலல்லாம் மது அருந்தி
 அறப்பாண ஆணையில் மயங்கியது போதும்
 எழுந்து வா கிளைஞனே!

பொறை பொருளுக்கு அடிமையாகி
 பொல்லாத தீநாயக்கு தீரையாகி
 பொன்னான வாழ்க்கையை கிடித்தது போதும்
 எழுந்து வா கிளைஞனே!

உன்னை நம்பி உன் வீடு மட்டுமல்ல
 இந்த நாளும் உள்ளது
 நீ மணம் தீருநீ வந்தவகி
 நாடகத்த விடயமும் நல்லது...

விடிக்கின்ற சூலிவாரு விடியலும்
 உனக்காகவே விடிக்கிறது

துடிக்கின்ற சூலிவாரு தீநாயும்
 உனக்காகவே துடிக்கின்றது...

படிக்கின்றக் காலத்தில்
 நன்றாகப் படிக்காமல் போனால்
 தேடுக்கின்றக் காலத்தில்
 நல்ல நிலைக்கிடைக்கீமா?

உதிரத்தை உணவாகிய நாயையும்
 உவரவைமை பணமாகிய தந்தையும்
 நாளை பிணக்காகியே உண்டாயமா?
 எழுந்து வா கிளைஞனே!

அண்ணா! அண்ணா! என்று
 வாய்நிறைய அழைக்கும் தாய்க்கைக்கு
 நல்ல வாழ்க்கை அமைத்து
 விகாரத்தே உண்டாயமா?

உன்னையே நம்பி
 பின்னால் வந்த மனைவியையும்
 உன்னாலே உருவெடுத்து வரும்
 உன் பிள்ளைகளையும்
 ஈந்தீநாஷிமாக வாழ வைக்க உண்டாயமா?
 எழுந்து வா கிளைஞனே...
