**AFFILIATED TO THE UNIVERSITY OF MADRAS**

## **FEE CONCESSION POLICY**

## **MAR GREGORIOS STUDENT SCHOLARSHIP (FEE CONCESSION) POLICY AND PROCEDURE**

**OBJECTIVE:** To provide financial assistance to students who are from economically weaker sections and to provide maximum help to overcome their financial and medical needs such as disability and other issues related to it. The institution takes every effort to avert the barriers that may slow down the education of a student.

**PURPOSE:** To support students' education who are not able to pay fees.

### **PROCEDURE FOR SELECTION OF STUDENTS:**

1. The students who are availing fee concession should not have received any form of Scholarship from Government or Private Bodies.
2. The recipient of fee concession should have good remarks from their concerned department regarding their academics and discipline.
3. The beneficiary can be selected based on the above criteria. However, the Head of the Department/Class Tutor play a vital role in identifying the beneficiaries so as to justify the contribution.
4. The final selection / amount will be the discretion of the Management. The above is only a rubric to place the students in any of these categories to validate the issue of scholarship.
